

# ORDER OF DAEDALIANS

## WASP INFORMATION

**GENERAL:** The Order of Daedalians was organized on 26 March 1934 by WW I military pilots. Today the Order honors, as its Founder Members, over 14,000 WW I pilots who were commissioned and rated as military pilots of heavier-than-air powered aircraft no later than the Armistice on 11 November 1918. The Order perpetuates their memories as patriots who placed service to the nation above personal safety or position and as the first to fly their country's airplanes in time of war.

The Order's membership of commissioned, warrant and flight officer military pilots and WASPs with its world-wide network of Daedalian Flights, and its comprehensive awards program, supports the military services and other aerospace activities. The Awards and Scholarship Programs of the Order and Foundation encourage patriotism, integrity and good character in our nation's youth; military careers as commissioned pilots; safety of flight, and excellence in the performance of military duties. The Daedalian Foundation's scholarship program also promotes study in aerospace disciplines.
